DOCKET NO. 1998-590-C - ORDER NO. 2011-351
MAY 6, 2011

IN RE: Application of Network Telephone Corporation for a Certificate of Public Convenience and Necessity to Provide Resold Local Exchange and Long Distance Interexchange Telecommunications Services)	ORDER APPROVING MODIFICATION OF COMPANY NAME
--	---	--

This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of Network Telephone Corporation (“NTC” or the “Company”) for approval of a modification of the Company’s name by which it will be doing business in South Carolina. NTC proposes to adopt PAETEC Business Services as a “doing business as” (d/b/a) or trade name with regard to offering telecommunications services in South Carolina.

NTC is presently certificated by this Commission to provide local exchange and interexchange telecommunications services in the State of South Carolina pursuant to the authority granted in Order No. 1999-225, issued March 29, 1999, and Order No. 1999-677, issued September 27, 1999.

By informational filing received April 15, 2011, NTC advised the Commission that the Company intends to change its name to Network Telephone Corporation d/b/a PAETEC Business Services. According to NTC, all presubscribed customers of the Company have been notified of this change via bill notices, and as such NTC requests a

waiver by the Commission of the publication of notice requirement. Further, the Company states that the name change will not affect the rates, terms or conditions of services provided to its South Carolina customers.

Since all existing customers of NTC have been notified of the proposed name change and since no rates, terms or conditions of services provided by the Company to its South Carolina customers will be affected, we find that NTC's requests to waive publication of notice and approve the Company's proposed name change should be granted.

IT IS THEREFORE ORDERED THAT:

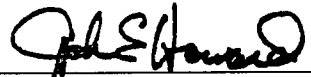

1. The request of Network Telephone Corporation for waiver of publication is approved.
2. The request of Network Telephone Corporation for approval of a change of the Company's name by which it will be doing business in South Carolina by the adoption of "doing business as" (d/b/a) or trade name to the Company's name is approved, and Network Telephone Corporation is hereby authorized to utilize "PAETEC Business Services" as a trade name for its telecommunications services provided in South Carolina. Accordingly, the Commission's records will hereby be amended to reflect the Company's new name of Network Telephone Corporation d/b/a PAETEC Business Services.
